

## WEST REGIONAL RE-BID

Since Delaware Swim Team (DST) was unable to secure a pool on the dates scheduled for West Regionals (the weekend of April 5-6), the meet was put forward for re-bid. A notice was placed on the Middle Atlantic Swimming website and an invitation to bid on the West Regional meet was sent to all clubs who currently host meets. To date (January 7, 2008) no response from outside teams has been received.

Team Delaware has inquired about changing their East Regional meet to accommodate more swimmers. Dan Sullivan will provide a proposal. Delaware Swim Team is still willing to host the West Regional meet at LaSalle on the weekend of March 29-30.

It is imperative that action on this matter not be deferred. In fairness to the teams and swimmers involved, a decision must be made at the January 14<sup>th</sup> Board meeting.
