

## Lancaster request for surcharge to Speedo Classic

---

Cherita,

I am asking that you submit this request to the MA board to review regarding our meet sanction. I know that request was made last year, however, after reviewing it, it was submitted for expenses that had no bearing on running this meet and understandable why it was turned down by MA. These however below do apply and I hope that it will be reviewed and accepted.

We, Lancaster Aquatic Club , are asking that for a \$5.00 surcharge per swimmer be added/allowed to our charge for our LAC Speedo Classic July 9-11, 2010.

We are presenting this request based on the following rentals that we now incur in order to host the meet at Ephrata Community Pool.

See below:

Fees Ephrata Rec Center: bleachers ....400.00

Fees for Ephrata Borough: \$310/day for lights at night: 930.00

Rental for Tents to cover materials on deck: 250.00

Rentals of scaffolding : \$223.

Rentals of storage space to hold meet equipment: \$1632

Grand total :3425.00

A surcharge would greatly help in these expense this year..

We appreciate your taking this under consideration. If you need more itemization or detail, please let me know

Sincerely

Nancy Hauck

LAC Board President
