There is a surcharge of \$5.00 per swimmer for any team with more than 5 swimmers which does not submit entries electronically using Hytek software. Surcharge cannot be avoided by teams submitting individual entries separately. Individuals or clubs will be billed in the event that all proper fees are not received. Failure to submit entry and surcharge fees will result in rejection of entries.

I attest that the athletes entered are currently registered with USA Swimming and that they have achieved the seed times recorded.
