Only two (2) Relays from a Team will score in an event, although additional Relays may be entered. Relays can’t be comprised entirely of relay only swimmers. <b>All relay cards must be returned to the Admin Referee at a designated time during each Prelims session. <p><b>SEEDING &amp; FORMAT</b></p>	<p>Positive check-in will be required for all events 400 meters and longer in order to be seeded. All events 200 meters and shorter will be pre-seeded; however, the Meet Director reserves the right to require positive check-in for certain 200 meter events if it is deemed necessary to keep the Meet within the allowable time limits. Positive check-in events will generally close for seeding thirty minutes before the expected starting time for that event.</p> <p>Entry times must be submitted in the course in which they were achieved. All entries other than LC will be treated as Non-Conforming, and will be seeded according to USA Swimming Rules (i.e., they will not be converted and will be seeded AFTER all LC entry times.)</p> <p>The 11-12 and 13-14 age groups will have a B-Final and A-Final, swum in that order, in all events except those listed as Timed Finals.</p> <p>The 12 &amp; Under 400 Free and the 800 Free on Thursday will swim fastest to slowest, alternating Girls and Boys. The 1500 Free on Sunday will swim fastest-to-slowest, alternating Girls and Boys, except for the fastest heat of each gender, which will swim at Finals.</p> <p>The 11-12 400 IM is a Timed Final event. The top 8 seeded swimmers after positive check-in will swim at night; everyone else will swim in pre-lims, fastest heat to slowest heat.</p> <p>All swimmers in Thursday’s events, including the 800 Free Relay, must provide their own Timer. All swimmers in the preliminary heats of the 1500 Free must provide their own Timer. All swimmers in the 800 and 1500 Freestyle events must provide their own counter.</p> <p>Fly-over starts will be utilized at both morning and afternoon sessions in order to facilitate the running of the meet, except when Backstroke starts are used. Swimmers should remain in the water until after the start of the next heat.</p>
