Awards: Individual events: Medals for 1st-8th places
Relays: Medals for 1st-3rd places

A High Point Award will be presented to the top three Teams based on overall points.
A High Point Award will be presented to the top scoring Boy and Girl in each individual Age Group.

Finals: The 1000 and 1650 Free are Timed Finals. The 11/12 age 400 IM and 500 Free and 10&U age 500 Free are Timed Finals. All other events are Prelims/Finals and will swim an A- and B- Final in the evening session, except the following events which will swim an A-Final only: 11/12 age 200 Back, 200 Breast, 200 Fly; and the 13-14 age 500 Free and 400 IM events. The B-Final will precede the A-Final at Finals.

Relays: All relays will be swum as Timed Finals with the top eight (8) seeded relays swimming at the end of Finals. At least two swimmers in each relay must compete in an individual event.

Scratch policy: Any swimmer who does not swim a pre-seeded Preliminary or pre-seeded Timed-Final event will not be penalized. Any swimmer who positively checks-in for a deck-seeded event and does not swim that event will be barred from their next individual event. Swimmers may take a DFS in a Timed Final event (except those seeded into the 11&over 1000/1650 Freestyle and 11-12 400 IM and 500 Free heats at Finals) with no penalty.

Any swimmer who qualifies for Finals in a Preliminary/Finals event and does not report for and swim the Finals will be barred from the rest of the Meet (including Relays) unless the swimmer has scratched, or indicated their possible intention to scratch, to the Admin Referee within thirty (30) minutes of the announcement of the Preliminary results. Swimmers declaring possible intention must confirm their intention to scratch within thirty (30) minutes of the announcement of the results of that swimmer's last individual event at the Preliminary session or they will be seeded

into the event and expected to swim. Swimmers who are initially announced as Alternates (or lower) for the Finals will not be so penalized.

A \$50 fine will be imposed on any MA swimmer who qualifies for Finals on the last night (or last day of competition for that swimmer) and then does not compete in that event, unless such swimmer has appropriately scratched or is otherwise excused from the event.

Seeding: The 400 IM, 500 Free, 1000 Free and 1650 Free individual events and all Relays will be Deck-seeded; all other events will be Pre-seeded. Positive check-in is required to be seeded into Deck-seeded events. The 1000 free, 1650 free, and all 500 free events will be swum fastest to slowest in the mornings. In the 1000 & 1650 events, the fastest eight seeded swimmers (from combined 13/14 and 11/12) will swim in the evening Finals; these swimmers will not have the option to swim the event during Prelims except at the discretion of the Meet Referee. Check-in for the 1000 and 1650 Free events will close at 10:00 a.m. on the respective mornings; **all** swimmers must check in by the morning deadline.

Time Trials: Time Trials will be available at times to be determined by the Meet Referee for a fee of \$10.00 per individual swim and \$20.00 per relay. A swimmer may swim one Time Trial per day in an event, and a maximum of two Time Trials per day. A Time Trial event counts in the total allowable events to be swum each day (3 individual and 1 relay.) Time Trials are open to any USA Swimming registered swimmer. Time Trial swimmers not entered in the Meet must provide proof of current USA Swimming registration.

Distance Events: Swimmers with qualifying times in the 1000 or 1650 Free may enter that event using their fastest time, or may enter at the SCY time standard provided they are entered in at least one other individual event on the day of the distance Free event. A swimmer with a No Time in the 1000 Free may enter the event at the qualifying time standard provided they have a qualifying time in the 1650 Free; a swimmer with a No Time in the 1650 Free may enter the event at the qualifying time standard provided they have a qualifying time in the 1000 Free. Coaches should be prepared to prove times in this situation. Swimmers in the 1000 & 1650 Free events should provide their own Timers and lap counters (except for Timer at the Finals sessions.).

Schedule:	All days:		<u>Warm-ups</u>	<u>Meet Starts</u>
		Prelims	7:30 am	9:00 am
		Finals	4:30 pm	5:30 pm

During warm-ups, sprint and pace lanes will be opened approximately thirty minutes before the start of each session.

Morning Prelim sessions will be held in both courses, with intermittent breaks to give swimmers the opportunity to warm-up or warm-down between events. The evening Finals will be held in the deep pool (Pool A.) The order of events for Finals will be identical to the order for Prelims, except for the 1000 and 1650 Free events which will be swum first at Finals on those days.

Officials: Officials attending and able to work at this meet may contact the Meet Referee at officials@maswim.org prior to the meet. Officials not making notification prior to the meet should report to the Referee at the start of warm-ups for any session.

An application has been submitted for this meet to be an Officials Qualifying Meet (OQM) for those officials seeking advancement or renewal of their N2 or N3 (S&T only) certification. Officials wanting to renew or advance their N2 certification should contact Fred Killian at FK42@aol.com for more information.

Safety: USA Swimming and Middle Atlantic safety procedures will be enforced during the Meet. There shall be no diving during Warm-up, except in designated sprint lanes. The Referee may remove anyone from warm-up for failure to comply with the Warm-up rules.

Swimmers without a Coach should report to the Referee prior to entering the pool to obtain assignment to a Team for that session.

The use of any audio or visual recording device, including a cell phone camera, is not permitted in any changing areas, rest rooms or locker rooms.

Any swimmer entered in the meet, unaccompanied by a USA Swimming member coach, must be certified by a USA Swimming member coach as being proficient in performing a racing start or must start each race from within the water.
